

“

Don't just have career or academic goals.
Set goals to give you a balanced, successful life.
Balanced means ensuring your health,
relationship, and mental peace are all in good order.
There is no point of getting a promotion
on the day of your breakup.

Ratan N. Tata

Our focus is on helping professionals and young people in India achieve their career and professional goals within the BeYourBest realm.

Career counselling provides a clear roadmap on which career to pursue and how to be successful in that.

Why do you need Career Counselling?

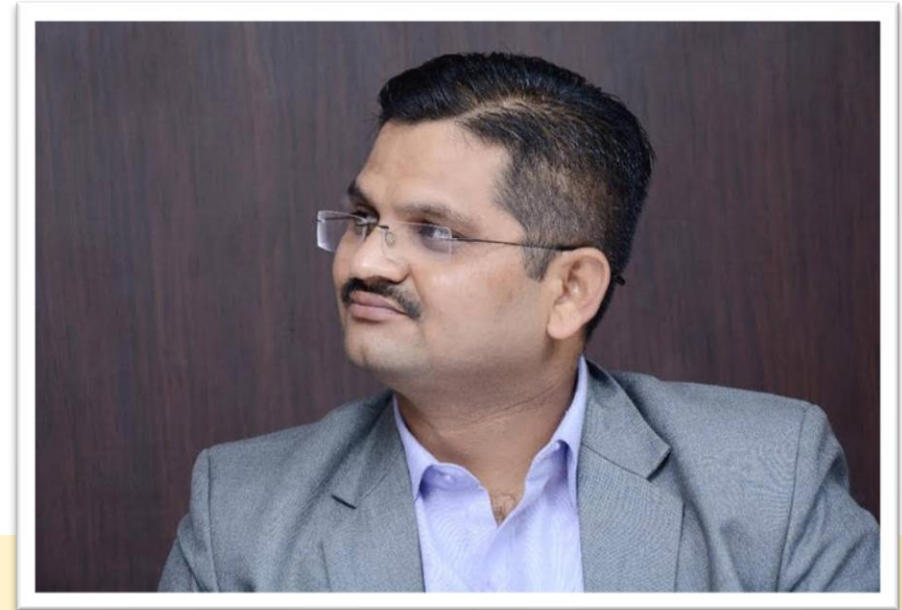

Career counselling helps you to understand your interests, skills and abilities and based on that a career counsellor guides you in the right direction.

Why do you need Career Counselling?

- ✓ Personalized Guidance
- ✓ Clarity on Career Objectives
- ✓ Skill Development
- ✓ Career Planning
- ✓ Support during Transitions

**IMPORTANCE OF CAREER
COUNSELLING**

1. Interest Tests

2. Personality Assessment

3. Skills Assessment

4. Career Aptitude Test

5. Values Assessment

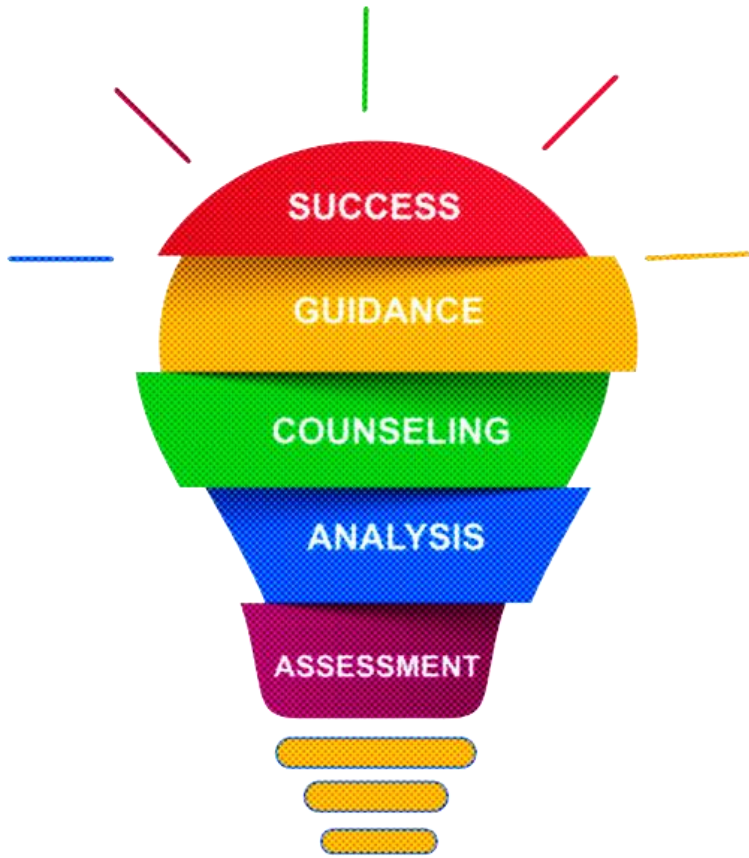

**Tools used for assessment in
Career Counselling**

- Career and work is an immense part of people's lives.
- Career counselling is like a **blessing in disguise** and can be really helpful for an individual's overall happiness.
- Happy career means a happy life.

Career Assessment for Professionals

- We help graduating students and freshers in engineering , medical , management, humanities and other courses to make the right career decisions, be it in **selecting courses** or **fields of specialization** for further studies/post graduation or selecting the right **role** to start their professional lives in the industry

**Career Assessment for
Graduates & Post Graduates.**

- It profiles an individual on the basis of the self-assessment of **Interests, Work styles, Abilities, Work Values , Knowledge** and **Skill** areas.
- The report also provides information on linked **education and skilling options**.
- Provides **very accurate recommendations** as the candidate's profile is statistically matched with the profiles of successful people in similar careers.

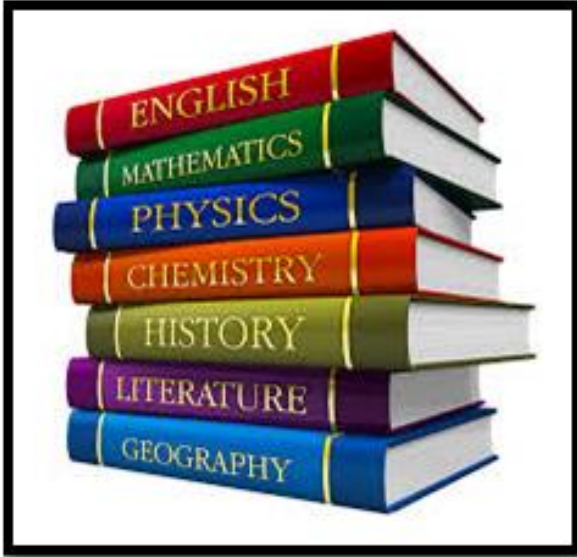

Career Assessment for 11th & 12th Students

- 1** 5 Dimensional Career Analysis Assessment for 8th to 10th class students
- 2** Get your Career Analysis and subjects recommendations with detailed education and career road map.

Career Assessment for 8th, 9th and 10th Students

Find out perfect subjects that align with career

- 1 Find out most suitable subjects after 10th
- 2 Know your aptitude

Subjects' selector Assessment

Find out most suitable engineering branch

1

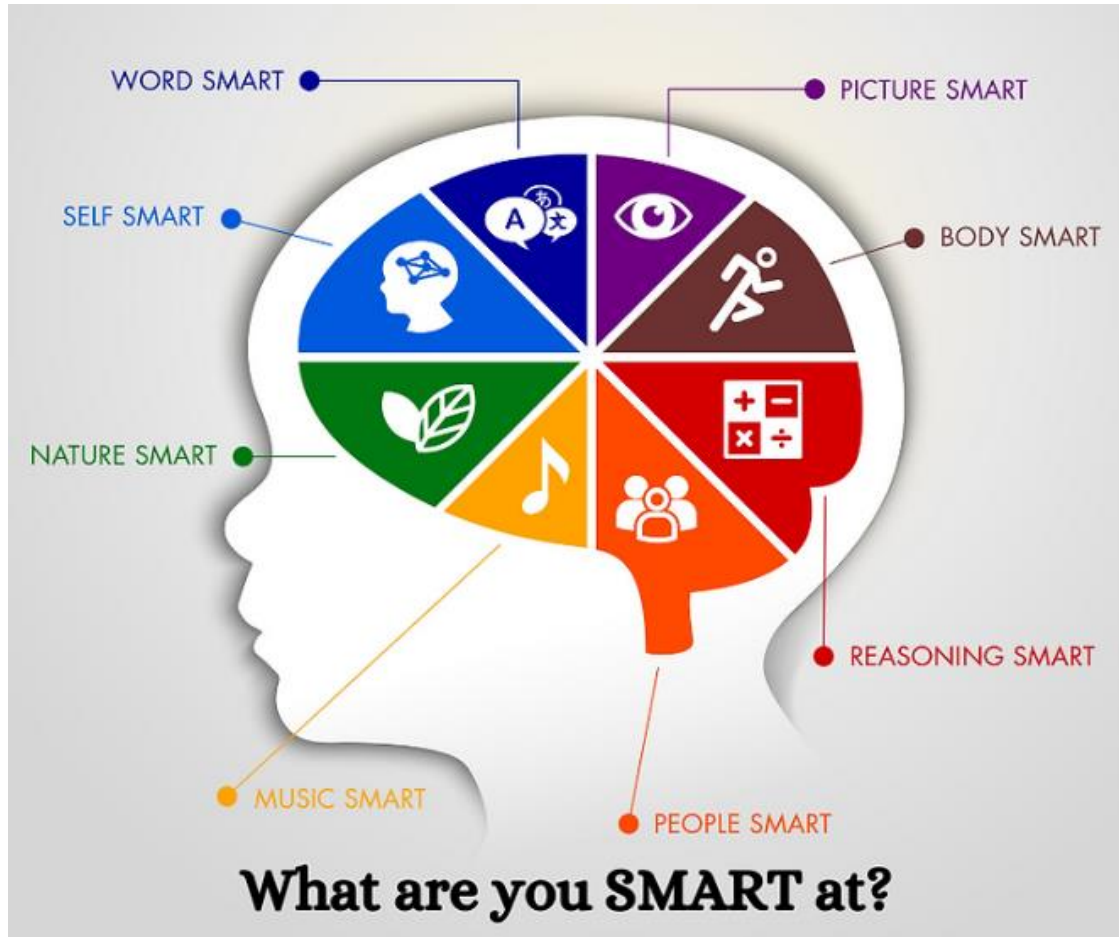

Work situational & interest Analysis (SJT and SIT) will help you to select most suitable engineering branch.

2

Information on different engineering branches.

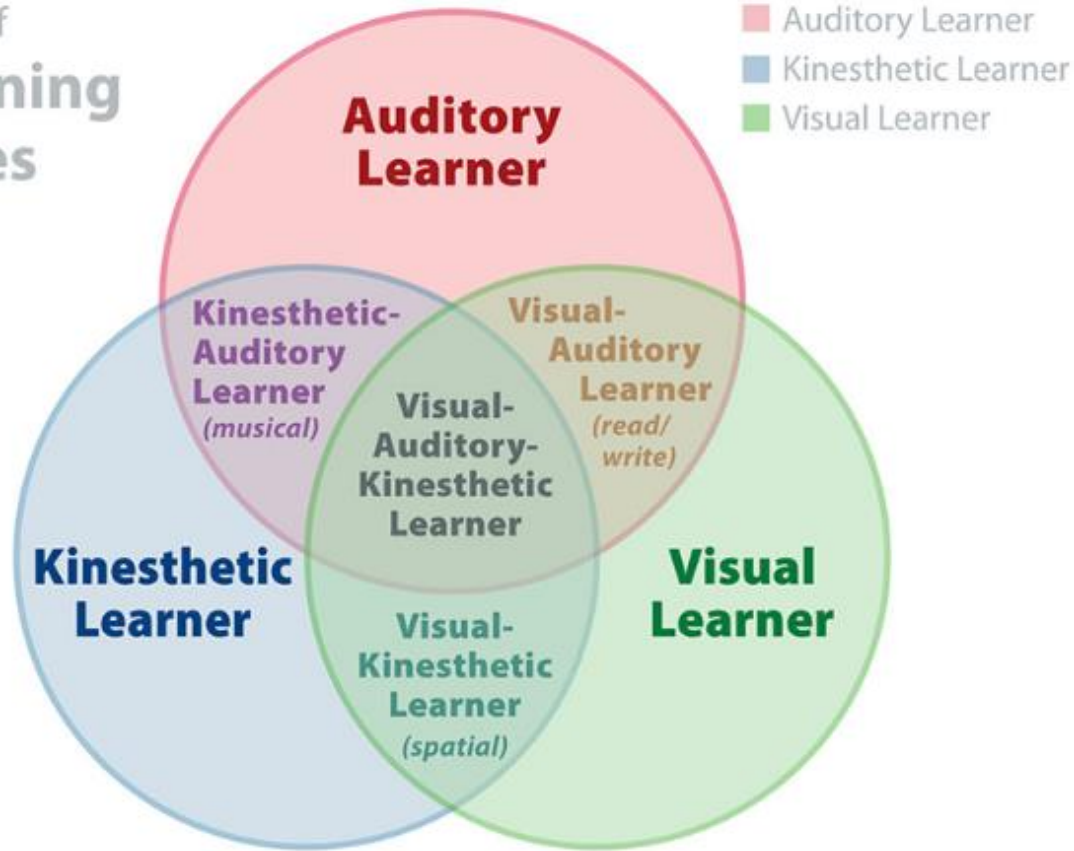

Engineering Stream Selector

**Multiple intelligence assessment
for 5th -7th Class**

Types of Learning Styles

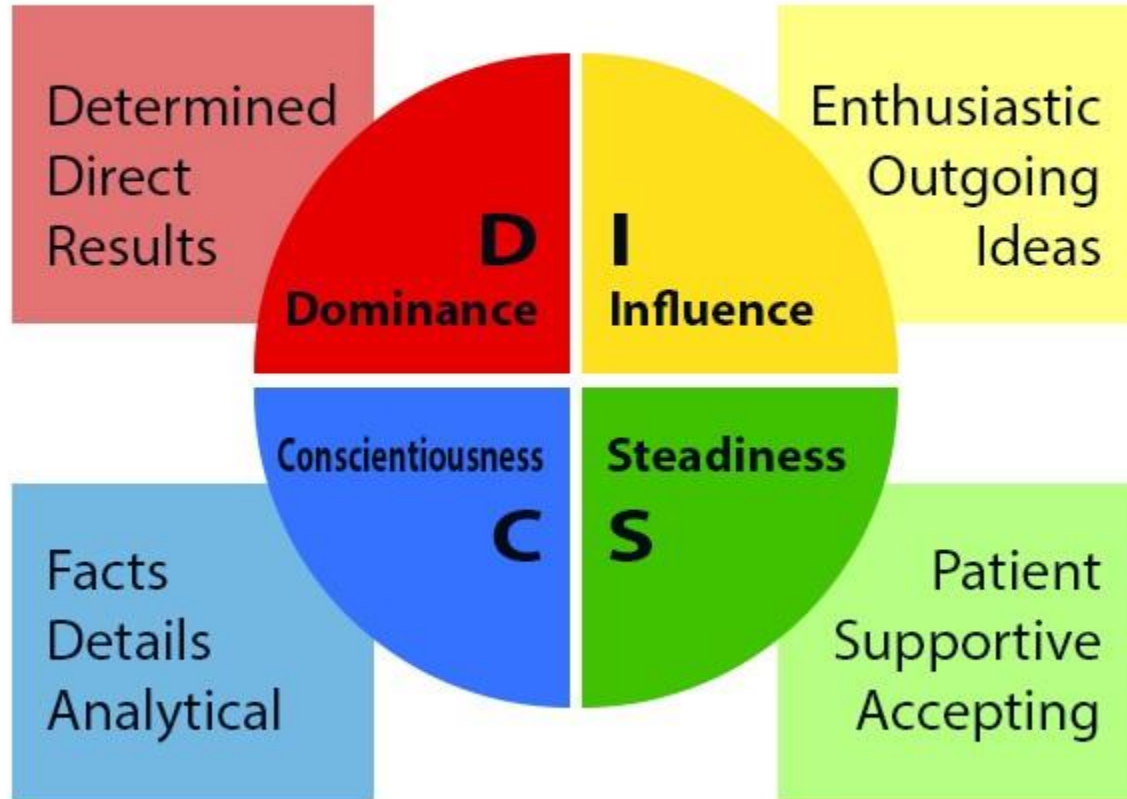

- Individuals perceive and process information in different ways, known as their learning styles.
- In simple words, they have their own preferences for how they absorb, understand and retain information.

Learning Style Assessment

DISC Assessment

Personality Assessment

PERSONALITY

- A personality test is a tool to evaluate various aspects of one's personality.
- These tests are designed to elicit information about someone's thoughts, opinions, traits, motivations, behavioral tendencies, and values.
- Such tests can help recruiters assess psychological preferences in how candidates would react and perform in different situations, helping them gain valuable insights into the applicant's personality for hiring purposes.
